COMMUNITY DEVELOPMENT DISTRICT

General Fund Budget Account Category Description
Fiscal Year 2010-2011

REVENUES:

Operations & Maintenance Assessments

The District levies Non-Ad Valorem Assessments on all of the assessable property within the District to pay for operating expenditures incurred during the Fiscal Year. The assessments may be collected in two ways. The first is by placing them on the County's Tax Roll, to be collected with the County's Annual Property Tax Billing. This method is only available to land properly platted within the time limits prescribed by the County. The second is for lands not on the tax roll and that is by way of a direct bill from the District to the appropriate property owner.

Funding Agreement

The District may enter into funding agreements to provide for a source of revenue for certain expenditures.

Developer Contribution

The District may, similar to a funding agreement, receive certain prescribed dollars from the Developer to off-set expenditures of the District.

Facility Rental

The District may receive monies for the rental of certain facilities by outside sources, for such items as office space, snack bar/restaurants etc.

Event Rental

The District may receive monies for event rentals for such things as weddings, birthday parties, etc.

Interlocal Agreement

The District may enter into interlocal agreements with other governmental entities to provide for revenue for certain expenditures.

Miscellaneous

The District may receive monies for the sale or provision of electronic access cards, entry decals etc.

EXPENDITURES:

ADMINISTRATIVE

Legislative

Supervisor Fees

The District may compensate its supervisors within the appropriate statutory limits of \$200.00 maximum per meeting within an annual cap of \$4,800.00 per supervisor.

Financial and Administrative

Administrative Services

The District will incur expenditures for the day to day operation of District matters. These items include but are not limited to mailing and preparation of agenda packages, overnight deliveries, facsimiles and long distance phone calls. Also, each Board Supervisor and the District Staff are entitled to reimbursement for travel expenses per Florida Statutes

190.006(8). Finally, this line item also includes a cost for the storage of all the District's official records, supplies and files.

District Manager

The District as required by statute, will contract with a firm to provide for management and administration of the District's day to day administrative needs. The cost to maintain the minutes of all Board meetings, preparing various resolutions and all other secretarial duties requested by the District throughout the year is also reflected in this amount.

Also, additional financial consulting services include, but are not limited to responding to bondholder questions, prepayment analysis, long term pay-offs and true-up analysis. This line item also includes the fees incurred for a Collection Agent to collect the funds for the principal and interest payment for its short-term bond issues and any other bond related collection needs. These funds are collected as prescribed in the Trust Indenture. The Collection Agent also provides for the release of liens on property after the full collection of bond debt levied on particular properties. Finally, the District may contract for the investment of various funds prior to the need to expend, to maximize the potential earnings on those funds.

Accounting Services

The District has contracted for maintenance of accounting records. These services include, but are not limited to accounts payable, accounts receivable and preparation of financial reports for the district.

Auditing Services

The District is required annually to conduct an audit of its financial records by an Independent Certified Public Accounting firm, once it reaches certain revenue and expenditure levels, or has issued bonds and incurred debt.

Arbitrage Rebate Calculation

The District is required to calculate the interest earned from bond proceeds each year pursuant to the Internal Revenue Code of 1986. The Rebate Analyst is required to verify that the District has not received earnings higher than the yield of the bonds.

District Engineer

The District's engineer provides general engineering services to the District. Among these services are attendance at and preparation for monthly board meetings, review of construction invoices and all other engineering services requested by the district throughout the year.

Public Officials Liability Insurance

The District will incur expenditures for public officials' liability insurance for the Board and Staff.
